## ORDER PLACEMENT

All orders are to be completed on the attached order form and placed by the specified due date. A completed payment form must accompany all food and beverage pre-orders. Where any adjustments are required please advise us via email.

## LATE ORDER FEE & CATERING ON THE DAY

We encourage you to pre-order your food & beverage requirements by the specified due date to avoid a \$50.00 late order fee. Late orders will be offered a limited menu. Additional food and beverage orders on the day will require authorisation and a signed docket by the host or nominated representative. Please advise us pre-game if there are any restrictions for ordering.

Every effort will be made to achieve your preferred dining time, however, please allow a delivery window of fifteen minutes either side of the nominated time.

## FOOD ALLERGIES & INTOLERANCES

Our chefs have designed an extensive range of menu options. Whilst all care is taken when catering for special requirements, our products may contain or are produced in kitchens which may use the allergens of nuts, seafood, soy, dairy, egg, sesame, wheat (gluten) and preservatives. We cannot guarantee that our products or ingredients are completely free from known allergens. The decision to consume a meal is the responsibility of the diner.

As we may not be able to accommodate all dietary requests on event day, please let us know via email at least two days prior if you or your guests have any dietary requirements.

## OPEN-AIR BOX TIMINGS

Your private facility will be accessible from gates opening time, with catering service available from 90 minutes prior to kick-off. Beverage service will conclude 30 minutes after the conclusion of the game, and you must vacate your Open-Air Box one hour after the conclusion of the game.
